Hallmark Landmark for The Phoenix Centre.

Following a visit from the Action with Communities in Rural Kent Hallmark assessment team on the 5th of June the Trustees of The Phoenix Centre are pleased to announce that the Centre has met the criteria to be successfully awarded a Level One Hallmark.

The Assessment Team stated that they were 'delighted to inform' us of our success in their glowing report they stated that they 'we were very impressed with all that has been achieved at The Phoenix Centre, and the enthusiasm of the Committee Members who have obviously put their heart and soul into the project'

Phil Scott Chairman of The Phoenix Centre stated, 'we are very pleased to have achieved recognition for the efforts of our trustees who have tirelessly worked to get the Centre into a position where we can demonstrate that we are working to quality standards for the benefit of the local community'.

He went on to say 'we would encourage all suitable community venues and village halls to put themselves forward for this scheme, quality hallmarking could be vital to your future. Remember, you don't need to be sitting on a huge budget with a grand venue to achieve success, you just need to follow best practice and work hard'

If you think your community venue has what it takes to reach Hallmark Standard please contact Becky Williams, Hallmark Co-ordinator on 01303 850816 at Action with Communities in Rural Kent.
