

The Phoenix Community Resource Hub Ltd

Funders at The Phoenix

Community groups and voluntary organisations from across Dover District will have the opportunity to come and 'Meet The Funders' between 6.30pm-8.30pm on Wednesday the 17th of September at The Phoenix Centre in Sandwich.

CASE Kent, Action for Communities in Rural Kent and the Kent Community Foundation will be holding a funding event at which you will be able to find out about major grant giving trusts, if your project is eligible for funding, to find out about alternative sources of funding and get help on making an application.

Action with Communities in Rural Kent will consider applications for funding from organisations in rural areas or organisations whose work has a significant benefit for rural communities through their work with the Colyer-Fergusson Trust.

Kent Community Foundation is a charity that manages charitable trusts, including the new Grassroots Grants, an important new fund that aims to provide grants of up to £5,000 to small voluntary and community groups.

CASE Kent supports the voluntary and community sector by providing advice, training and support with setting up, running and funding organisations. CASE Kent can help your organisation.

Phil Scott Chair of The Phoenix Centre said, We are very pleased to be able to work with these organisations to host this great chance for local groups to find funding for their projects, this is a wonderful opportunity, don't miss it!
