## PHOENIX YOUTH MEMBERSHIP TARIFF

Membership is mandatory, we require for insurance purposes that a membership form is signed and returned this will require the form to be read, understood and signed by both the young person wishing to attend the club and their parent/guardian. Signing the form means acceptance of the terms and conditions of membership as well understanding and agreement with the centre rules and code of conduct.

### Types of membership.

There are two levels of membership for Phoenix Youth.

- Full membership for £20 with no entrance fee for evening sessions at Phoenix Youth.
- Sessional membership with a £1.00 entry fee for each session at Phoenix youth.

There is also a family rate:

- £20.00 for the first membership and £10.00 for each additional membership. This gives the same entitlement for free entry per session as a full membership for each family member.

### Details of membership.

Membership will last for 12 months from receipt of completed membership form and first payment.

For full membership and family rate membership we can offer an instalment scheme; this means you pay the initial £10.00 and the balance owing at £5.00 per month until the balance is clear. Full membership entitles the member to first refusal on day trips etc. Full membership is also a requirement if the young person wishes to become a member of the Phoenix Youth Forum and comes with a membership pack.

No refunds in full or in part will be given on membership fees.

New prospective members are allowed two sessions free to help them decide if they would like to become members.

The membership fees will contribute to the running of a subsidised tuck shop, help towards the cost of buying and maintaining equipment as well as being used to expand the range of activities that we can provide.

We will provide a minimum of 45 sessions per year, we intend to open on a second night per week increasing to 90 days of youth sessions per year. This means a Sessional member could pay fees of anywhere between £45.00 and £90.00 per year, we would strongly suggest joining as a full member giving an annual saving of between £25.00 — £70.00.

If you have any questions or require any clarification please do not hesitate to contact us using the details on the heading of this sheet.
